## Product description

### Note on returned items (refurbished)

This item has been carefully checked and refurbished. It may show slight signs of use and the packaging may be damaged. The item is fully functional. The warranty corresponds to that of new goods.

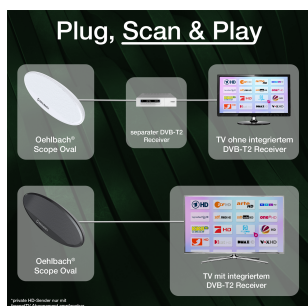

If you have any questions, please contact our customer support team at [kundenservice@oehlbach.de](mailto:kundenservice@oehlbach.de).

The Oehlbach Scope Oval indoor antenna for digital terrestrial television DVB-T2 dresses newly developed high-performance reception technology in a harmonious soft design. On a 1.8 metre long antenna cable with 24 carat gold-plated antenna plug, you can place this antenna very flexibly around your TV or receiver. A USB power supply unit is included for the power supply. With this antenna you can experience picture and sound and the whole DVB-T2 channel variety with many programs in HD on a whole new level. And in the colours black or white, this compact Oehlbach indoor antenna also fits into the picture optically always and everywhere.
