Product description

Premium record protection sleeves for maximum care of your vinyl treasures

Protect your valuable vinyl records at the highest level with our Vinyl Protect record sleeves. These high-quality inner sleeves combine environmentally friendly materials with innovative technology to keep your record collection in top condition.

High quality features

FSC-certified paper with a strong grammage of 100 g/m²: sustainability meets stability. Our robust paper reliably protects against dust, dirt and scratches and is environmentally friendly at the same time. With FSC-certified paper, you make a contribution to environmental protection without having to compromise on quality.

Antistatic inner film: Protects your records from annoying electrostatic charge and ensures smooth playback without annoying cracking noises.

Perfect size: Suitable for all 12-inch long-playing records, ideal for any collection - from classics to modern new releases. The sleeves are very easy to handle and can be inserted and removed effortlessly.

Perfect for discerning collectors

Maximum protection: The perfect combination of hard-wearing paper and anti-static inner film protects your records from external influences.

Easy handling: The sleeves are easy to insert and remove and slide effortlessly into the outer sleeves of your records.

Sustainability meets quality: With FSC-certified paper, we combine environmentally conscious design with the highest quality standards.

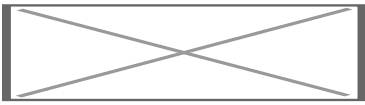

Say goodbye to inferior sleeves and give your records the protection they deserve. Our Vinyl Protects are the ideal choice for audiophiles and enthusiasts who value quality and sustainability.

Turn your vinyl treasures into a real highlight - protected by Oehlbach!
