USB TYPE C - TYPE B CABLE

Primus CB | 1 m | Black/Gold

USB 2.0

€49.99 RRP incl. VAT

Product number	**D1C9547**
EAN	**4003635095478**

HIGHLIGHTS

- Perfect for audio transmissions, DACs, external headphone amplifiers, etc.
- HPOCC® copper conductor for pure, loss-free signal transmission
- Triple shielding against interference for perfect audio quality
- 24kt gold plated contacts
- Audio streaming
- 30 years warranty**

DESCRIPTION

Discover our **USB Primus CB** - the optimal USB cable that takes performance to a new level. This high-end USB-C to USB-B cable impresses with impeccable functionality and durable materials

Oehlbach Kabel GmbH

- **High-quality premium USB cable:** The cable is equipped with a USB-C to USB-B plug and offers reliable, loss-free signal transmission. The inner conductor made of HPOCC® (monocrystalline, oxygen-free copper) ensures particularly pure and precise data transmission. The robust yet flexible fabric jacket protects the cable from external influences and ensures a long service life.
- **First-class shielding and high data transmission speed:** The cable has triple shielding, which effectively reduces electromagnetic interference and thus ensures interference-free transmission. With a data transmission speed of up to 480 Mbps, it meets the requirements of high-quality digital audio and data transmissions.
- **Maximum contact reliability thanks to precision-manufactured connectors:** The robust metal connectors with 24-carat gold-plated contacts ensure a reliable connection and minimize contact resistance. This ensures excellent signal quality without loss of sound quality, ideal for demanding audio applications.
- **Perfect for high-quality audio transmissions**: This cable is specially optimized for digital audio applications, including DACs (digital-to-analogue converters), external headphone amplifiers and high-quality audio interfaces. It enables detailed and lossless sound reproduction, allowing music lovers and audiophiles to fully enjoy their favorite recordings.
- **Safe hold and stable connection**: Thanks to the connector socket, the cable offers a firm and secure connection in any USB socket. This prevents accidental disconnection or loose contacts, guaranteeing uninterrupted signal transmission - ideal for professional and demanding use.

With its elegant design in black/gold with elegant metal plugs and high-quality workmanship, this premium USB cable is the ideal choice for anyone who demands the highest standards of reliability and durability without compromising on quality.

Experience the perfect connection - with Oehlbach!

TECHNICAL DATA

Weight	0.108 kg
Length	225 mm
Width	140 mm
Height	15 mm
Product Category	USB cable, Data cable
cable material	Solid plastic casing
Plug type 2	USB-B
Shielding	triple shielding
Quality level	State of the Art
Shielding construction	2 x aluminium foil + 1 x copper braiding

Plug type 1	USB Type-C
Connection type	Audio, Data
Connector material	solid metal plug
cable length	1 m
Signal direction	IN/OUT
Inner conductor material	HPOCC® – mono-crystalline oxygen-free copper inner conductor
cable geometry	Round
Colour	Black/Gold
Transmission rate	480 Mbps
