

## Primus CB | Black/Gold | 3 m

OEHLBACH Primus CB - USB-C® cable for fast charging and data transfer. Compatible with smartphones, tablets and notebooks - robust and reliable.

<b>Product number</b>	D1C9549
<b>Weight</b>	0.186kg
<b>Length</b>	225mm
<b>Width</b>	140mm
<b>Height</b>	25mm

### Product description

Discover our **USB Primus CB** - the optimal USB cable that takes performance to a new level. This high-end USB-C to USB-B cable impresses with impeccable functionality and durable materials

- **High-quality premium USB cable:** The cable is equipped with a USB-C to USB-B plug and offers reliable, loss-free signal transmission. The inner conductor made of HPOCC® (monocrystalline, oxygen-free copper) ensures particularly pure and precise data transmission. The robust yet flexible fabric jacket protects the cable from external influences and ensures a long service life.
- **First-class shielding and high data transmission speed:** The cable has triple shielding, which effectively reduces electromagnetic interference and thus ensures interference-free transmission. With a data transmission speed of up to 480 Mbps, it meets the requirements of high-quality digital audio and data transmissions.
- **Maximum contact reliability thanks to precision-manufactured connectors:** The robust metal connectors with 24-carat gold-plated contacts ensure a reliable connection and minimize contact resistance. This ensures excellent signal quality without loss of sound quality, ideal for demanding audio applications.
- **Perfect for high-quality audio transmissions:** This cable is specially optimized for digital audio applications, including DACs (digital-to-analogue converters), external headphone amplifiers and high-quality audio interfaces. It enables detailed and lossless sound reproduction, allowing music lovers and audiophiles to fully enjoy their favorite recordings.
- **Safe hold and stable connection:** Thanks to the connector socket, the cable offers a firm and secure connection in any USB socket. This prevents accidental disconnection or loose contacts, guaranteeing uninterrupted signal transmission - ideal for professional and demanding use.

With its elegant design in black/gold with elegant metal plugs and high-quality workmanship, this premium USB cable is the ideal choice for anyone who demands the highest standards of reliability and durability without compromising on quality.

**Experience the perfect connection - with Oehlbach!**

## Product properties

<b>Product Category</b>	USB cable, Data cable
<b>cable material</b>	Solid plastic casing
<b>Features</b>	Perfect for audio transmissions, DACs, external headphone amplifiers, etc., HPOCC® copper conductor for pure, loss-free signal transmission, Triple shielding against interference for perfect audio quality, 24kt gold plated contacts, Audio streaming, 30 years warranty**
<b>Plug type 2</b>	USB-B
<b>Shielding</b>	triple shielding
<b>Quality level</b>	State of the Art
<b>Shielding construction</b>	2 x aluminium foil + 1 x copper braiding
<b>Plug type 1</b>	USB Type-C
<b>Connection type</b>	Audio, Data
<b>cable length</b>	3 m
<b>Connector material</b>	solid metal plug
<b>Signal direction</b>	IN/OUT
<b>Inner conductor material</b>	HPOCC® – mono-crystalline oxygen-free copper inner conductor
<b>cable geometry</b>	Round
<b>Colour</b>	Black/Gold
<b>Transmission rate</b>	480 Mbps
