

Pulse CC | anthracite | 50 cm

OEHLBACH Pulse CC - USB-C® cable for fast charging and data transfer. Compatible with smartphones, tablets and notebooks - robust and reliable.

Product number	D1C9367
Weight	0.093kg
Length	225mm
Width	140mm
Height	15mm

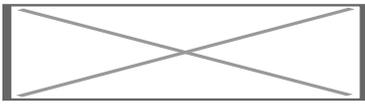

Product description

Discover our **USB Pulse CC** - the optimal USB TYPE-C® cable that takes performance, speed and quality to a new level. This high-quality USB-C to USB-C cable impresses with impeccable functionality and durable materials.

- **Lightning-fast data transmission:** With an excellent transmission speed of up to **20 Gbps** (at 2 m and 3 m) or **40 Gbps** (at 50 cm and 1 m), the USB Pulse CC ensures ultra-fast data transmission. Perfect for demanding tasks such as 8K video transmissions via **DisplayPort 1.4 alt mode**.
- **Powerful power supply:** Supports ultra-fast charging with up to 240 W charging power thanks to Power Delivery 3.1 - ideal for smartphones, tablets, laptops and other USB-C devices.
- **High-quality materials for maximum reliability:** The inner conductor made of **oxygen-free copper (OFC)** guarantees loss-free data transmission, while the robust **TPE jacket** ensures flexibility and durability.
- **Intelligent communication and safety:** Enables precise identification of current, data transfer speed and cable specifications thanks to the integrated **eMarker chip** - protects devices from overcurrent and overheating and optimizes the performance of modern USB-C devices.
- **Multi-purpose:** Perfectly suited for power supply and data transfer, for example in the home office, as well as for fast charging of a variety of devices with USB-C connection.

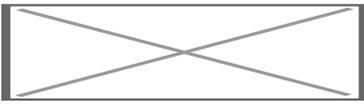

With its elegant design in **anthracite** and practical lengths, the USB Pulse CC is the ideal choice for anyone who demands quality and durability.

Experience the perfect connection - with Oehlbach!

Product properties

Product Category	USB cable, Data cable
Transmission rate	40 Gbps
Features	Up to 8K video support, EPR - Extended Power Range (48V/5A), E-marker chip for the safety of connected devices, Backwards compatible with USB 3.2 and USB 2.0, Thunderbolt 3 and USB4 compatible, 24kt gold plated contacts, High quality anodised aluminium, 30 years warranty**
Max. Ladeleistung	240 W
Inner conductor material	OFC - oxygen-free copper
4K/8K	4K, 8K
Colour	Anthracite
Shielding	triple shielding
Quality level	Performance
Shielding construction	2 x aluminium foil + 1 x copper braiding
cable length	50 cm
Plug type 1	USB Type-C
Connection type	Audio, Data, Video
Connector material	solid metal plug
Plug type 2	USB Type-C
cable material	TPE
Signal direction	IN/OUT
cable geometry	Round
