

# DualPower 20

<b>Product number</b>	D1C6001
<b>Weight</b>	0.063kg
<b>Length</b>	50mm
<b>Width</b>	90mm
<b>Height</b>	50mm

## Product description

The Oehlbach DualPower 20 is a versatile and powerful USB charger that optimally supplies almost any mobile device thanks to its extensive support of modern charging protocols - including Power Delivery (PD), QC, AFC, FCP and Apple Fast Charge. With a total output of 20 watts, it enables fast and efficient charging, whether for smartphones, tablets or accessories.

The combination of USB-A and USB-C makes the DualPower 20 a universal companion for everyday use and when traveling.

The charging power at the USB-A port is: 18 watts and the charging power at the USB-C port is: 20 watts. When using both ports simultaneously, 15 watts are available per port.

As you would expect from Oehlbach, the charger impresses with its high-quality workmanship, integrated protection mechanisms and maximum safety - for reliable charging around the clock.

## Product properties

<b>Features</b>	versatile application, Two USB charging sockets with 2.4 amp charging current, Compact design
<b>Mains voltage</b>	230 V / 50 Hz
<b>Colour</b>	Black
<b>Quality level</b>	Performance
<b>Plug type 1</b>	USB Type-C
<b>Plug type 2</b>	USB-A
<b>Housing material</b>	More than five Inputs
