Product description

The Oehlbach DualPower 20 is a versatile and powerful USB charger that optimally supplies almost any mobile device thanks to its extensive support of modern charging protocols - including Power Delivery (PD), QC, AFC, FCP and Apple Fast Charge.
With a total output of 20 watts, it enables fast and efficient charging, whether for smartphones, tablets or accessories.

The combination of USB-A and USB-C makes the DualPower 20 a universal companion for everyday use and when traveling.

The charging power at the USB-A port is: 18 watts and the charging power at the USB-C port is: 20 watts. When using both ports simultaneously, 15 watts are available per port.

As you would expect from Oehlbach, the charger impresses with its high-quality workmanship, integrated protection mechanisms and maximum safety - for reliable charging around the clock.

Product properties

Features	versatile application, Two USB charging sockets with 2.4 amp charging current, Compact design
Mains voltage	230 V / 50 Hz
Colour	Black
Quality level	Performance
Plug type 1	USB Type-C
Plug type 2	USB-A
Housing material	More than five Inputs
