NF AUDIO RCA CABLE

BEAT! | 2 m | Blue

€39.99 RRP incl. VAT

Product number **D1C2702**

EAN **4003635027028**

HIGHLIGHTS

- Conductor material copper
- 24kt gold plated contacts
- Reliable contact
- 30 years warranty**
- German Technology

DESCRIPTION

A superbly crafted audio RCA cable with a coaxial design! This high-quality audio cable is primarily intended for use in hi-fi or home cinema systems – for example, to connect a CD player to an amplifier! Thanks to its effective shielding, it is virtually immune to any stray currents and interference. Oxygen-free copper (OFC) is used as the inner conductor, resulting in an exceptionally harmonious and transparent sound with good spatial depth. 24-carat gold-plated connectors ensure perfect contact reliability.

TECHNICAL DATA

Weight	0.15 kg
Inner conductor material	OFC - oxygen-free copper
Colour	Blue
cable length	2 m
Plug type 1	2xRCA
Quality level	Performance
Surface condition	24 carat gold-plated contacts
Connection type	Audio
Connector material	gold-plated connector plug
Shielding construction	1 x aluminium foil + 1 x copper braiding
cable geometry	Twisted Pair, Flat
Plug type 2	2xRCA
Signal direction	IN/OUT
Product Category	audio cable
