

Sub Link | 2 m | black

OEHLBACH Sub Link - Subwoofer RCA cable for powerful bass performance. Silver-plated OFC inner conductor, high shielding - ideal for Hi-Fi and home cinema.

Product number D1C33160

Weight 0.174kg

Product description

With the Oehlbach Select Sub Link cable your active subwoofer gets the optimal connection to your home cinema or home entertainment. It is available in various lengths and can also be used in the car for connecting bass rollers or power amplifiers. For all cases, we have developed an oxygen-free copper inner conductor with a particularly wide cross-section, which is specially designed for the optimum transmission of low bass frequencies. Here you can hear powerful, precise bass, which, thanks to effective shielding, cannot be affected by external signal interference. Nevertheless, this massive, robust cable remains very flexible and can be laid just as flexibly. The 24 carat gold-plated RCA connectors with 100 percent contact area also provide the right finish for optimum bass and sound quality.

Product properties

Inner conductor material	OFC - oxygen-free copper
Features	24kt gold plated contacts, 30 years warranty**, German Technology
Plug type 1	RCA
Colour	Black
cable length	2 m
Shielding construction	1 x copper braid
Connection type	Audio
Quality level	Excellence
Connector material	solid metal plug
Artikel FH Exklusiv	Ja
Plug type 2	RCA
Signal direction	IN/OUT
cable geometry	Round
Product Category	audio cable
