### Product description

Particularly high-quality analogue audio cinch cable with balanced construction and effective triple shielding for cabling hi-fi or home cinema systems! Thanks to the balanced construction and the inner conductors made of high-purity, monocrystalline HPOCC copper, this Oehlbach cable ensures particularly good spatiality and outstanding dynamics. Perfect contact reliability and a good feel are guaranteed thanks to the 24 carat gold-plated contacts. Thanks to the robust and flexible outer sheath and the metal connectors, the cable can be used universally and is absolutely resistant to any sheath currents.
