Product number	D1C6049
Weight	0.35kg
Length	225mm
Width	140mm
Height	40mm

Product description

With our Highway Switch 8K you can easily switch from 2 input sources (e.g. BluRay player & game console) via remote control and output to your output device (e.g. TV). After a movie still a round of gambling becomes child's play. The HDMI ® switch 2:1 with support for up to 8k (4320p / Ultra HD) at 60Hz and 4k (2160p / Ultra HD) at 120Hz guarantees a safe and loss-free transmission of the signal through its high-quality components and is easy to operate from the sofa through its remote control in combination with control LEDs. Among other things, the Highway Switch consists of an aluminum housing, which ensures excellent shielding against interfering signals. In addition, the HDMI ® contacts, gold-plated with 24ct gold, provide an exceptionally high conductivity and contact reliability.

Product properties

Colour	Silver Matt
Features	24kt gold plated contacts, German Technology
Audio format	DTS-HD Master Audio, Dolby True HD, Dolby Digital, DTS:X, Dolby TrueHD, Controle LED, DTS HD, 5.1 DTS HD, Dolby Digital Plus, DTS, DTS-HD High Resolution Audio, Dolby Atmos
