

Highspeed SL | 0.50 m

Product number	D1C33000
Weight	0.106kg
Length	35mm
Width	145mm
Height	250mm

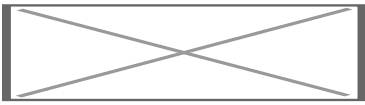

Product description

The Highspeed SL HDMI cable ensures easy installation and stable, high quality signal transmission in a home cinema setup. The rugged plastic sheathing with OFC (oxygen-free copper) inner conductor, the triple shielding element and the 24-carat gold-plated contacts ensure a flawless connection between the source and playback device. Perfectly suited for resolutions up to Ultra HD, 3D signals and high-definition sound formats, the Highspeed SL also offers ARC and HDMI Ethernet support, as well as advanced colour spaces and HDMI-CEC functionality.

Product properties
