

Transmission Shift S-90 | 10 m

Product numberD1C24066Weight0.895kgLength295mmWidth340mmHeight55mm

Product description

Oehlbach Transmission Shift S-90 is our HD satellite cable with 90 degree angled F-connector for optimum picture and sound quality when connecting satellite receivers, DAB+ radio or even routers such as the Connect Box from Unitymedia. There is often little space behind devices for a straight connector or the satellite cable is to be routed away at a 90-degree angle for optical reasons. Oehlbach has designed the right-angled F connector for such cases. Oehlbach Transmission Shift S-90 comes ready assembled with antenna cable. Together, the cable and the Oehlbach F-connector create home cinema connection quality. Features of the high-quality equipment include 75-ohm impedance, 100 percent contact area and 24-karat gold-plated connectors.

Product properties

Product Category antenna cable

Shielding effectiveness 120 dB

Inner conductor material OFC - oxygen-free copper

cable length 10 m

Features 24kt gold plated contacts, Made in Germany, German Technology

Connector material High-quality fabric sheathing **Plug type 1** Antennas F-connector 90°

Colour Anthracite

Screen resolution 1080p Full HD, 4K UHD 50/60 Hz

Connection type Audio, Video

Plug type 2 Antenna F connector 90°
Shielding Quadruple shielding

Quality level Excellence

cable geometry Twisted Pair, Round

Signal direction IN/OUT

Shielding construction 2 x aluminium foil + 2 x copper braiding
