

Transmission Shift S-90 | 10 m

OEHLBACH Transmission Shift S-90 - Satellite cable with high shielding and 24-carat gold-plated F-connectors. For interference-free satellite TV reception in.

Product number D1C24066

Weight 0.895kg

Length 340mm

Width 295mm

Height 55mm

Product description

Oehlbach Transmission Shift S-90 is our HD satellite cable with 90 degree angled F-connector for optimum picture and sound quality when connecting satellite receivers, DAB+ radio or even routers such as the Connect Box from Unitymedia. There is often little space behind devices for a straight connector or the satellite cable is to be routed away at a 90-degree angle for optical reasons. Oehlbach has designed the right-angled F connector for such cases. Oehlbach Transmission Shift S-90 comes ready assembled with antenna cable. Together, the cable and the Oehlbach F-connector create home cinema connection quality. Features of the high-quality equipment include 75-ohm impedance, 100 percent contact area and 24-karat gold-plated connectors.

Product properties

Product Category	antenna cable
Shielding effectiveness	120 dB
Inner conductor material	OFC - oxygen-free copper
cable length	10 m
Features	24kt gold plated contacts, Made in Germany, German Technology
Connector material	High-quality fabric sheathing
Plug type 1	Antennas F-connector 90°
Colour	Anthracite
Screen resolution	1080p Full HD, 4K UHD 50/60 Hz
Connection type	Audio, Video
Plug type 2	Antenna F connector 90°
Shielding	Quadruple shielding
Quality level	Excellence
cable geometry	Twisted Pair, Round
Signal direction	IN/OUT
Shielding construction	2 x aluminium foil + 2 x copper braiding
