MADE IN GERMANY · 30 YEAR GUARANTEE · SPOFC SILVER PLATED COPPER

HIGHLIGHTS

- 24kt gold plated contacts
- High-quality transmission with a pure sound
- Resistant to sheath currents
- Reliable contact
- Made in Germany
- incl. washer
- 30 years warranty**

DESCRIPTION

Extremely well-made analogue audio XLR cable for cabling hi-fi and home-cinema systems! The particularly high-quality inner conductor made from oxygen-free copper (SPC = silver-plated copper) means that the true-to-life transmission of signals can be achieved with this Oehlbach cable. Perfect contact reliability and a pleasant handling are guaranteed with the 24-carat gold-plated contacts. The cable may be used universally and is absolutely resistant to all sheath currents thanks to its extremely robust and flexible outer sheath. It impresses with its warm and fine silk-like sound that is accompanied by very good spatiality and powerful basses. The symmetrically designed cable with locking XLR plugs is even suitable for professional sound-studio requirements and guarantees high-quality and pure-sounding transmissions.
