

Antenna Link F | 1 m

OEHLBACH Antenna Link F - Satellite cable with high shielding and 24-carat gold-plated F-connectors. For interference-free satellite TV reception in HD and UHD.

Product number D1C33120

Weight 0.159kg

Product description

Simply get more quality for picture and sound for satellite TV, some cable connections or your Internet router with this Oehlbach Select Antenna Link F cable. A multiple shielding of aluminium foil and copper braiding around a high-quality OFC conductor reliably protects your entertainment from all external influences, interference and signal contamination. At its ends, this cable then finds a safe and quick connection with two F-connectors in the well-known Oehlbach quality. 24 carat gold-plated solid metal with 100 percent contact surface finally gives the Oehlbach Select Antenna Link F cable the optimal finish for the finest entertainment experiences in your home.

Product properties

Product Category	antenna cable
Shielding effectiveness	120 dB
Inner conductor material	OFC - oxygen-free copper
Features	24kt gold plated contacts, 100% contact reliability, 30 years warranty**, German Technology
Characteristic impedance	Eliminates high-frequency irradiation
Plug type 2	Antenna F
Plug type 1	Antennas F-connector
Connection type	Audio, Video
Quality level	Excellence
Shielding construction	1 x aluminium foil + 1 x copper braiding
Connector material	solid metal plug
Artikel FH Exklusiv	Ja
cable length	1 m
Signal direction	IN/OUT
cable geometry	Round
Shielding	Multiple shielding
Colour	White
