XL Air Absorb | Chrome

€103.00 RRP incl. VAT

Product number **D1C55047**

EAN **4003635550472**

MAX. 100 kg

GERMAN TECHNOLOGY

HIGHLIGHTS

- Max. load bearing capacity 25 kg
- German Technology

DESCRIPTION

Perfectly made vibration damper for acoustically insulating high-quality hi-fi loudspeaker boxes and home-cinema systems. They reliably prevent the transmission of undesirable resonance frequencies from the loudspeaker case to floor. These high-quality Oehlbach resonance dampers may, of course, also be used for other components within hi-fi and home-cinema systems.

TECHNICAL DATA

Weight	0.476 kg	**Housing material**	metal housing
Length	250 mm	**Product Category**	Resonance damper
Width	145 mm	**Colour**	Chrome
Height	40 mm
