Width	100mm
Height	20mm

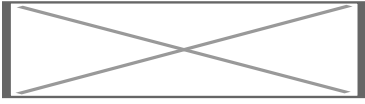

Product description

Excellent banana flex connector for assembling speaker cables. The connector ensures the optimal and convenient connection of speaker cables to speaker boxes and electronic components, such as AV receivers or amplifiers. Thanks to a new type of connection system, this high-quality Oehlbach connector ensures absolutely secure contact and excellent transmission quality. The adapter is simply screwed on and the speaker cable is inserted into the lower part. Then the wire ends are put over the thread and is screwed together with the upper part. The plug contacts are 24 carat gold-plated and the cable feed is suitable for conductor cross-sections from 1.5mm² to 6.0 mm².

Product properties

Colour	Gold
Features	24kt gold plated contacts, Reliable contact
Product Category	Plug/connector
Surface condition	24 carat gold-plated contacts
Connection type	Audio
Quality level	Excellence
Plug type 1	Banana Flex
Connector material	solid metal plug
