DESCRIPTION

The Shape Magic 90 UHD is a high-quality processed Ultra High-Speed HDMI® cable. The special feature of this cable are the 90 degree angled connectors, which are ideal for laterally positioned HDMI® sockets on TV sets. Due to the design of the Shape Magic 90 UHD, several cables can be positioned on top of each other without any problems. The cable offers stunning quality in 8K at 50/60 Hz or 4K at up to 120 Hz. In addition, the high-quality OFC conductor, the triple shielding and the 24 carat gold-plated contacts of the full metal plug, ensure ideal data transmission.
