

# Silverline SP-60 | 4 m

**Product number** D1C345  
**Weight** 0.6kg

## Product description

High-quality stereo speaker cable for connecting amplifiers or power amplifiers with speaker boxes - for amplifier power up to approx. 600 watts power per amplifier channel. The use of silver-plated, oxygen-free OFC copper as conductor material ensures that this speaker cable has an extremely clear and lifelike sound image. With the help of silver plating, an even further improved high-frequency reproduction is produced. The outer jacket of this Oehlbach cable is made of a durable and very flexible plastic compound, which makes the cable particularly smooth to lay.

## Product properties

Plug type 1	open end
Plug type 2	open end
Amplifier power	For amplifier performances of up to 600 watts
cable material	plastic
cable length	4 m
cable cross section	2 x 6.0 mm²
Inner conductor material	SPC/OFC - silver-plated oxygen-free copper
Connection type	Audio
Quality level	Excellence
Features	Silver content of 8g / kg, 30 years warranty**, Stereo speaker cable, Certified production in Europe
Product Category	Loudspeaker cable
Signal direction	IN/OUT
Colour	Transparent
