Product description

This i-Connect cable delivers the perfect analogue stereo connection between a portable media player and a HiFi system. The cable is equipped with a 3.5 mm jack on one side and two RCA connectors on the other. High quality metal connectors with 24 carat gold-plated contact surfaces provide maximum transmission reliability and signal stability. The mother of pearl coloured connectors provide the unobtrusive black cable and the more eye-catching white cable with a unique and elegant finish.
