OEHLBACH Audio Link - RCA audio cable, silver-plated OFC inner conductor and multi-layer screening. For Hi-Fi and home cinema systems. Clear, detailed sound.

Product number D1C33143

Weight 0.246kg

Product description

An audio RCA cable is one of the classics in home entertainment and still has countless applications today. The cable has remained basically the same for decades, but expectations of its sound quality have risen significantly. To meet these high expectations for precise, clean sound, we developed the Oehlbach Select Audio Link cable with two RCA plugs to two RCA plugs - including 24-carat gold-plated connectors made of full metal with 100 percent contact surface and high-quality cable material. This creates the lowest possible resistance during signal transmission and thus the prerequisite for optimum audio quality and a sound image that will open your ears.

Product properties

Inner conductor material	OFC - oxygen-free copper
Features	24kt gold plated contacts, 30 years warranty**, German Technology
Colour	Black
Plug type 1	2xRCA
Connection type	Audio
Quality level	Excellence
Connector material	solid metal plug
Artikel FH Exklusiv	Ja
Plug type 2	2xRCA
Signal direction	IN/OUT
cable length	1.50 m
cable geometry	Round
Product Category	audio cable
