Product description

Preassembled analogue audio cinch cable for cabling hi-fi and home-cinema systems! The particularly high-quality inner conductor made from oxygen-free copper (OFC) means that the true-to-life transmission of signals can be achieved with this Oehlbach cable. The 24-carat gold-plated plug contacts guarantee contact reliability and protection against corrosion. The cable may be universally used and delivers a neutral sound with good dynamics and spatiality.
