**Product number** D1C104101

**Weight** 0.013kg

**Length** 140mm

**Width** 100mm

**Height** 20mm

### Product description

Massive and contact strong RCA plug for self-assembly. You can easily solder a suitable cable to this high-quality RCA plug. The plug is to be taken apart for this purpose, including the spring - which serves as bend protection. You can use the plug to assemble subwoofer, digital but also analog connections. As a subwoofer cable, the product created in this way can be used, for example, for the connection of active subwoofers to a home cinema system!

### Product properties

**Features** 24kt gold plated contacts, German Technology

**Type of packaging** solderable

**Plug type 1** RCA

**Connector material** Full metal

**Quality level** Performance
