## Product description

The connection of a cinch connector to a jack plug is a frequently used audio connection. The Select Audio Jack RCA Link cable creates it for you in the best Oehlbach quality for a listening pleasure at premium level. For example, connect your computer with hi-fi system or sound system for maximum sound with external speakers instead of simple PC speakers. Our Oehlbach Select Audio Jack RCA Link cable has everything you need for an exceptional sound experience: inside, a heavily shielded OFC conductor in a flexible, extremely durable cable sheath and 24 carat gold-plated connectors with 100 percent contact surface - 2x RCA to 3.5 millimetre jack. So that you don't have to make any compromises in your installation, the Oehlbach Select Audio Jack RCA Link cable is available in various lengths to suit many application solutions.
