SPOFC SILVER PLATED COPPER · 30 YEAR GUARANTEE · MADE IN EUROPE · 150 W

HIGHLIGHTS

- Silver content of 8g / kg
- 30 years warranty**
- Stereo speaker cable
- Certified production in Europe

DESCRIPTION

High-quality stereo speaker cable for connecting amplifiers or power amplifiers to speaker cabinets for amplifier power of up to approx. 150 watts per amplifier channel. The use of silver-plated oxygen-free OFC copper as conductor material ensures that this speaker cable has an extremely clear and natural sound. The silver plating further improves the reproduction of high frequencies. The outer sheath of this Oehlbach cable is made of a hard-wearing and very flexible plastic mixture, which makes the cable particularly easy to lay.
