

Silverline SP-40 | 6 m

OEHLBACH Silverline SP-40 - Silver-plated stereo speaker cable 2 x 4,0 mm², up to 400 W, OFC copper, highly flexible. Brilliant sound for demanding Hi-Fi.

Product number D1C341

Weight 0.6kg

Product description

High-quality stereo speaker cable for connecting amplifiers or power amplifiers with speaker boxes - for amplifier power up to approx. 400 watts per amplifier channel. The use of silver-plated, oxygen-free SPOFC copper as conductor material ensures that this speaker cable has an extremely clear and lifelike sound image. With the help of silver plating, an even further improved high-frequency reproduction is produced. The outer jacket of this Oehlbach cable is made of a hard-wearing and very flexible plastic compound, which makes the cable particularly smooth to lay.

Product properties

Plug type 1	open end
Plug type 2	open end
cable length	6 m
Inner conductor material	SPC/OFC - silver-plated oxygen-free copper
Connection type	Audio
Quality level	Excellence
cable cross section	2 x 4.0 mm ²
Features	Silver content of 8g / kg, 30 years warranty**, Stereo speaker cable, Certified production in Europe
Product Category	Loudspeaker cable
Signal direction	IN/OUT
Amplifier power	For amplifier performances of up to 400 watts
Colour	Transparent
cable material	PVC
