75 OHM TERMINATION FOR DIGITAL RCA CONNECTIONS

CoverCon 75

€22.99 RRP incl. VAT

Product number	**D1C55067**
EAN	**4003635550670**

24ct GOLD · GERMAN TECHNOLOGY · FULL METAL

HIGHLIGHTS

- 24kt gold plated contacts
- German Technology

DESCRIPTION

This 75 OHM Cover Connector has been specially developed for digital outputs that are not being used on CD players and high-quality DVD and Blu-ray players. As a precisely defined terminating resistance for open digital cinch outputs that cannot be deactivated, it counters any reflections occurring at these points and thus effectively prevents sound degradation caused by interference to the main signal. Sound transmission from digital sources becomes audibly more natural and considerably more precise.

TECHNICAL DATA

Weight	0.03 kg
Length	170 mm
Width	85 mm
Height	30 mm
Colour	Blue

Characteristic impedance	Eliminates high-frequency irradiation
Plug type 1	RCA
Connector material	High-quality fabric sheathing
Product Category	Plug/connector
Quality level	Excellence
