

i-Connect HS micro 180

Product number D1C60091

Weight 0.115kg

Length 40mm

Width 250mm

Height 145mm

Product description

HDMI signal output now plays an important role even in compact components such as smartphones, 7" tablets or digital cameras. Since the small dimensions of these devices make it impossible to integrate a conventional HDMI slot, the Micro HDMI connector (Type D) has been available since HDMI 1.4. Using our 3-star Oehlbach i-Connect HS Micro cable, these compact devices can be connected directly to a device with a conventional HDMI port. Thanks to the highest material quality, high-quality and interference-free signal transmission is guaranteed.

Product properties

Inner conductor material OFC - oxygen-free copper

Product Category HDMI cable

Plug type 1 Micro-HDMI

Plug type 2 HDMI

Colour Black

Shielding triple shielding

Quality level Performance

Connection type Audio, Video

Screen resolution 4K UHD 50/60 Hz

Transmission standard HDMI High Speed with Ethernet

cable length 1.80 m
