Weight	0.115kg
Length	250mm
Width	145mm
Height	40mm

Product description

HDMI signal output now plays an important role even in compact components such as smartphones, 7" tablets or digital cameras. Since the small dimensions of these devices make it impossible to integrate a conventional HDMI slot, the Micro HDMI connector (Type D) has been available since HDMI 1.4. Using our 3-star Oehlbach i-Connect HS Micro cable, these compact devices can be connected directly to a device with a conventional HDMI port. Thanks to the highest material quality, high-quality and interference-free signal transmission is guaranteed.

Product properties

Inner conductor material	OFC - oxygen-free copper
Product Category	HDMI cable
Plug type 1	Micro-HDMI
Plug type 2	HDMI
Colour	Black
Shielding	triple shielding
Quality level	Performance
Connection type	Audio, Video
Screen resolution	4K UHD 50/60 Hz
Transmission standard	HDMI High Speed with Ethernet
cable length	1.80 m
