USB TYPE A - TYPE B CABLE

Primus AB | 7.50 m | Black/Gold

USB 2.0 / 480 Mbps

€142.00 RRP incl. VAT

Product number	**D1C9545**
EAN	**4003635095454**

HIGHLIGHTS

- Perfect for audio transmissions, DACs, external headphone amplifiers, etc.
- HPOCC® copper conductor for pure, loss-free signal transmission
- Triple shielding against interference for perfect audio quality
- 24kt gold plated contacts
- Audio streaming
- 30 years warranty**

DESCRIPTION

Oehlbach Kabel GmbH
Lise-Meitner-Str. 9, 50259 Pulheim, Germany

The Oehlbach Primus AB USB 2.0 data cable has been specially developed for applications where the highest demands are placed on audio quality. It provides a first-class connection for devices with USB type B ports, such as high-end audio amplifiers, DACs (digital-to-analog converters) and other high-quality audio components. In audiophile setups where lossless and stable data transmission is crucial for perfect sound reproduction, the Primus AB sets the standard.

The reversible USB-A plug enables easy handling, while the monocrystalline, oxygen-free HPOCC copper inner conductor ensures exceptionally pure and precise signal transmission. Thanks to the triple shielding, the signal remains free from electromagnetic interference, which is essential when transmitting high-resolution audio data.

The full metal plugs coated with 24-carat gold ensure optimum contact reliability so that even the smallest nuances in the audio signal are transmitted without loss. The robust fabric jacket protects the cable from mechanical influences and ensures a long service life - ideal for long-term use in demanding audio setups.

The Oehlbach Primus AB is the perfect choice for anyone who doesn't want to compromise on their audio playback and relies on a state-of-the-art connection for transmitting music in studio quality.

TECHNICAL DATA

Weight	0.512 kg
Length	305 mm
Width	140 mm
Height	30 mm
Product Category	USB cable, Data cable
cable material	Solid plastic casing
Plug type 2	USB-B
Shielding	triple shielding
Quality level	State of the Art
Shielding construction	2 x aluminium foil + 1 x copper braiding

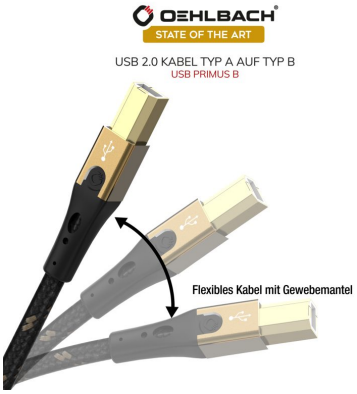

Connection type	Audio, Data
cable length	7.50 m
Connector material	solid metal plug
Signal direction	IN/OUT
Inner conductor material	HPOCC® – mono-crystalline oxygen-free copper inner conductor
Plug type 1	USB 2.0 Type A
cable geometry	Round
Colour	Black/Gold
Transmission rate	480 Mbps
