

CoverCon C

Product number D1C55066

Weight 0.037kg

Length 30mm

Width 170mm

Height 85mm

Product description

This Cover Connector Closed has been specially designed for open audio inputs on amplifiers. The interference and negative effects that often occur at cinch inputs are effectively suppressed with this plug type as it has been realized as a short-circuit type.

Product properties

Features	24kt gold plated contacts, eliminates high frequency irradiation, German Technology
Connector material	High-quality fabric sheathing
Product Category	Plug/connector
Surface condition	24 carat gold-plated contacts
Quality level	Excellence
Colour	Red
