Product description

Dust on records and in the record grooves no longer has a chance of spoiling the listening pleasure of your favourite records. With the Oehlbach Pro Phono Brush record brush you can wipe it away quickly and gently for the records. An ergonomically shaped stainless steel handle gives you perfect control with every movement. Soft brushes made of durable nylon in a real wood insert then clean the record and grooves as gently as reliably from dust and other small impurities for an undisturbed sound experience. Don't let just any brush touch your valuable record collection. Leave your vinyl to just one - the Oehlbach Pro Phono Brush record brush.
