

BEAT! | 50 cm

Product number	D1C2700
Weight	0.15kg
Length	40mm
Width	250mm
Height	145mm

Product description

Excellently made audio cinch cable in a coaxial design! This high-quality LF cable has been designed mainly to connect hi-fi and home-cinema systems – eg. for connecting CD players to amplifiers! The effective shielding means that it is almost resistant to any sheath currents and interference. Oxygen-free copper (OFC) has been used for the inner conductor to achieve extremely harmonious and transparent sound characteristics. The plug contacts plated with 24-carat gold are responsible for ensuring perfect contact reliability.

Product properties

Inner conductor material	OFC - oxygen-free copper
Features	24kt gold plated contacts, Reliable contact, 30 years warranty**, German Technology
Colour	Blue
Plug type 1	2xRCA
Quality level	Performance
Surface condition	24 carat gold-plated contacts
cable length	50 cm
Connection type	Audio
Shielding construction	1 x aluminium foil + 1 x copper braiding
Plug type 2	2xRCA
Signal direction	IN/OUT
cable geometry	Round
Product Category	audio cable
