Product number D1C17214

Weight 0.85kg

Length 500mm

Width 135mm

Height 120mm

Product description

Interference-free reception guaranteed! With the powerful Scope Max antenna from Oehlbach, you can receive FullHD signals without restrictions and artifacts. The omni-directional reception technology ensures an unproblematic setup and installation. The adjustable amplifier is particularly low-noise and can be completely deactivated if desired. The Oehlbach Scope Max is naturally designed for DVB-T2 technology and always delivers a stable and reliable signal. To rule out all complications, an LTE filter has even been integrated. The antenna is connected directly to the antenna socket of your DVB-T capable TV set or your own set-top box and is ready to receive immediately. With its ultra slim design and chic carbon look, the Scope Max is available in both black and white.

Product properties

Features	24kt gold plated contacts, carbon look, Adjustable amplifier, LTE filter, low-noise amplifier, Omni-directional reception
Characteristic impedance	Eliminates high-frequency irradiation
Lizenzen	DVB-T2, DVB-T2-HD
