## Product description

Interference-free reception guaranteed! With the powerful Scope Max antenna from Oehlbach, you can receive FullHD signals without restrictions and artifacts. The omni-directional reception technology ensures an unproblematic setup and installation. The adjustable amplifier is particularly low-noise and can be completely deactivated if desired. The Oehlbach Scope Max is naturally designed for DVB-T2 technology and always delivers a stable and reliable signal. To rule out all complications, an LTE filter has even been integrated. The antenna is connected directly to the antenna socket of your DVB-T capable TV set or your own set-top box and is ready to receive immediately. With its ultra slim design and chic carbon look, the Scope Max is available in both black and white.

## **Product properties**

Features 24kt gold plated contacts, carbon look, Adjustable amplifier, LTE filter, low-noise amplifier, Omni-

directional reception

Eliminates high-frequency irradiation

Characteristic impedance

Lizenzen

DVB-T2, DVB-T2-HD

Screen resolution 1080p Full HD

Transmission standard DVB-T2

Quality level Performance

Product Category Antenna

Reception area UHF: 470 - 790 MHz

Signal direction IN

Housing material More than five Inputs
