## Product description

The Oehlbach Scope Vision Outdoor has been specially designed for outdoor installation and is equipped with an especially low-noise amplifier developed especially for this antenna. This guarantees the best possible reception of DVB-T2 HD signals. The antenna is also flexible when it comes to installation and can be placed on a mast, on the wall, or simply on a horizontal surface with its base. The waterproof and UV-resistant housing protects the high-quality interior components in bad weather conditions.
