Product number **D1C2610**

EAN **4003635026106**

DESCRIPTION

For perfect record enjoyment, it comes down to fractions of a gram. Even minimal deviations from the optimum tracking force of your turntable's pickup make audible differences in sound. To make it easy for you to find the ideal tuning of your device, Oehlbach has developed the Tracking Force tonearm scale. Under a stainless steel front, it works digitally with the highest precision and an accuracy of ± 0.01 grams. The Oehlbach Tracking Force tonearm scale makes it easy for you to balance a tonearm weight - with simple operation, convenient control buttons and a large, easy-to-read display.
