Product number	D1C2610
Weight	0.23kg
Length	110mm
Width	65mm
Height	18mm

Product description

For perfect record enjoyment, it comes down to fractions of a gram. Even minimal deviations from the optimum tracking force of your turntable's pickup make audible differences in sound. To make it easy for you to find the ideal tuning of your device, Oehlbach has developed the Tracking Force tonearm scale. Under a stainless steel front, it works digitally with the highest precision and an accuracy of ± 0.01 grams. The Oehlbach Tracking Force tonearm scale makes it easy for you to balance a tonearm weight - with simple operation, convenient control buttons and a large, easy-to-read display.

Product properties

Battery types	AAA
Load capacity (max.)	0,01g-200g
Housing material	Stainless steel, More than five Inputs
Quality level	Performance
Colour	Silver
Product Category	Electronics
Temperature range:	10 °C to 30 °C
