

Scope Flat - Refurbished

Product number	D2C17231
Weight	0.815kg
Length	303mm
Width	27mm
Height	270mm

Product description

Note on returned items (refurbished)

This item has been carefully checked and refurbished. It may show slight signs of use and the packaging may be damaged. The item is fully functional. The warranty corresponds to that of new goods.

If you have any questions, please contact our customer support team at kundenservice@oehlbach.de.

Excellent reception of digital terrestrial television DVB-T2 always needs a suitable antenna: one like the Oehlbach Scope Flat. In this DVB-T2 indoor antenna, newly developed, particularly low-noise reception technology ensures picture and sound quality that can be seen and heard. You can place this active antenna flat on a cabinet and it will not be noticed at all. Or you can hang the elegant design - available in black or white - on the nearest wall like a picture frame. A 1.8 meter antenna cable with 24 carat gold-plated antenna plug always gives you enough free space to find the perfect place for this antenna.
