

# VGA ADP-2

**Product number** D1C8627

**Weight** 0.01kg

## Product description

VGA adapter for connecting two VGA connectors. The 24 carat gold-plated design minimizes transition resistances and permanently counteracts oxidation. This results in a consistently good connection with the lowest transition resistance over many years. The adapter can be used with any VGA cable without any problems due to its standard screw connection.

## Product properties

<b>Colour</b>	Gold
<b>Features</b>	24kt gold plated contacts
<b>Product Category</b>	Plug/connector
<b>Quality level</b>	Excellence
<b>Connector material</b>	solid metal plug
<b>Shielding</b>	Multiple shielding
