### Product description

Every day we at Oehlbach work on getting as close as possible to the perfect picture or sound in home entertainment. This is exactly what our customers expect from us and with the Select Opto Link cable - Toslink to Toslink - we meet these expectations. Highly flexible cables and light that can digitally transmit an incredible amount of detailed audio information make it possible. We have further refined this optical fiber in the Oehlbach Opto Link cable with many details for maximum transmission quality: 24 carat gold-plated Toslink connectors made of full metal with 100% contact area set new standards for optical audio cables.
