Product description

Oehlbach universal mains cable with Euro flat plug and small appliance coupler, equipped with inner conductor material made of high-purity, oxygen-free OFC copper. A variety of small electrical and multimedia devices are connected to the mains via this reliable cable. With a length of 1.5 m to 5.0 m, this optional black or white cable also connects your terminal device to the mains. The moulded plugs and the 24 carat gold-plated contacts guarantee a long service life and excellent contact reliability.
