Product description

Always at hand, but safe and well stored - the original Oehlbach head serves as the perfect storage for their high-quality over-/on-ear headphones. The headphone stand is ideal for any music lover who no longer wants to let their headphones gather dust in the corner - a real "must" for anyone who is committed to their passion for music. Thanks to its specific design, the headphone stand guarantees a secure hold even for large and heavy headphones, without putting excessive strain on the padding. The original wearing comfort is thus permanently ensured. Last but not least, the stand also excellently accentuates the headphones visually, e.g. next to the headphone amplifier. The In Extasio from Oehlbach is available in two different colors - black and white.
