Product description

Oehlbach Transmission Shift S is our HD satellite cable with F-connector for optimum picture and sound quality when connecting satellite receivers, DAB+ radio or even routers such as the Connect Box from Unitymedia. Oehlbach Transmission Shift S comes ready assembled with antenna cable. Together, the cable and the Oehlbach F-connector create the connection quality that defines a high-end home cinema. The high-quality features include 75 Ohm impedance, 100 percent contact area and connectors completely gold-plated with 24 carat.
