

Easy Connect UHD | 1.50 m

Product number D1C139
Weight 0.102kg

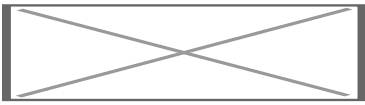

Product description

The 8K Ultra High Speed HDMI cable supports the high-quality entry into the new home entertainment and delivers with data rates of up to 48 Gbit/s the full bandwidth of the data range of current 8K (up to 60 Hz) and 4K (up to 120 Hz) Ultra HD signals. The 3D sound formats Dolby Atmos and DTS are transported lossless by the Easy Connect UHD to a connected AV device. The solid connectors at a 40° angle (the sides are angled mirror-inverted, see photo) guarantee maximum signal stability, the inner conductor is made of oxygen-free copper (OFC) and the cable is triple shielded and thus offers high-quality protection against interference signals.

Product properties

Transmission standard	Ultra High Speed HDMI
Inner conductor material	OFC - oxygen-free copper
4K/8K	4K - 120Hz, 4K, 8K
Product Category	HDMI cable
Lizenzen	x.v.Color - Additional Color Space, HDMI EN 2, Ultra High-Speed HDMI
HDMI Features	VRR - Variable Refresh Rate, Dynamic HDR, High-Speed-HDMI®-cable, eARC - Enhanced Audio Return Channel, 32 digital audio channels, CEC 2.0, Dolby Vision, Video compression DSC 1.2, x.v.Color – Additional Color Space, HDR - High Dynamic Range Image
Plug type 2	HDMI
Colour	Black
Shielding	triple shielding
Shielding construction	2 x aluminium foil + 1 x copper braiding
Transmission rate	48 Gbps
Connection type	Audio, Video
Screen resolution	8K UHD 60Hz, UHD 4K UHD 120Hz
cable material	Robust plastic sheathing
Signal direction	IN/OUT
Audio format	DTS, Dolby Atmos
Features	30 years warranty**, Gold-plated contacts for perfect signal transmission, German Technology
Plug type 1	HDMI
cable length	1.50 m
cable geometry	Round
Quality level	Easy Connect
