ANGLE ADAPTER CINCH 90°

Sound-AD 90

€28.99 RRP incl. VAT

Product number **D1C4011**

EAN **4003635040119**

FULL METAL

DESCRIPTION

With this high-quality 90° angle adapter, you can convert your RCA cables with straight plugs into angle plugs and conveniently route them to the side, up or down on your end devices, such as your hi-fi system or amplifier, thus saving space to the rear. Due to the high-quality gold plating and the full-metal design an optimal contact reliability is guaranteed.
