

i-Connect AD 63/35

Product number D1C60018

Weight 0.55kg

Length 30mm

Width 140mm

Height 100mm

Product description

The mobile audio adapter (6.3 mm jack to 3.5 mm jack) is made of high-quality materials and ensures interference-free and clean signal transmission. Connect your smartphone, laptop or tablet to active speakers or headphones, or your microphone to the stereo system. Signal purity and a stable connection are assured. 24 carat gold-plated contacts ensure good transmission reliability and high corrosion protection.

Product properties

Inner conductor material OFC - oxygen-free copper

Plug type 2 6,3mm jack socket

Features 24kt gold plated contacts, Reliable contact, 30 years warranty**, German Technology

Colour Black

Quality level Performance

Plug type 1 3.5 mm jack

Connection type Audio

Connector material solid metal plug

Signal direction IN/OUT

cable geometry Round

Product Category audio cable

cable length 15 cm
