STREAMING NETWORK CABLE CAT 8.1

GIGA STREAM

The performance network cable for Ethernet connections with up to 40 GBit/s. Get into the fast lane for gaming and other network connections with this Cat 8.1 network cable. It offers more than twice the bandwidth of previous generations of cables. Just plug it in and enjoy the data turbo: The Oehlbach Giga Stream network cable is 100% backward compatible with your other entertainment and network components with RJ-45 connectors and Cat 6, 6A or 5 categories. The triple-shielded Screened Shielded Twisted Pair conductor made of oxygen-free copper always ensures outstanding performance in the Giga Stream cable. With 24 karat gold-plated connector plugs, the Giga Stream also displays a fully finished appearance and 100% contact reliability.
