

SPRAY CLEANER AND MICROFIBRE CLOTH

LSC-50

MSRP (19%): 12.99

The Oehlbach LSC-50 cleaner with high-yield spray bottle comes completely without propellant gas, is easily biodegradable and still offers the perfect care for smooth surfaces in the hi-fi and home theater area. Dust, dirt or fingerprints don't stand a chance and are easily and effectively removed by the alcohol-free cleaning agent. The enclosed cleaning cloth is lint-free, anti-static and serves as an optimal complement to the high-yield liquid for absolutely streak-free cleaning. The Oehlbach cleaning set is ideal for LCD and OLED televisions, TFT monitors and glass surfaces.
